III ACTION/OFFICIAL RESULTS

1. An abandonment is where a match is halted before the completion of the allocated match time and not played out to conclusion on the same day. Markets which have been determined at the time of abandonment (i.e., the outcome has already been decided) such as "First Team to Score," "First goal scorer," etc. will stand. The market must be fully determined for bets to stand.
2. Basketball, Boxing, Hockey, and Mixed Martial Arts must be played on the date scheduled for "Action." If a game is postponed and/or rescheduled to a later date, said game will automatically constitute "No Action", unless otherwise specified. Game start or conclusion times delayed or extended beyond midnight are not recognized as date changes for wagering purposes.

3. For Football, in case of abandoned or postponed matches all undecided markets are considered void unless the match continues within the same weekly schedule (please, note, that weekly schedule does not mean a timeline of a “week”). For example, for the NFL the weekly schedule would be the timeline of Thursday through Wednesday local stadium time.
4. For Baseball and Soccer, and unless otherwise specified, if a match is suspended/postponed and is continued within 48 hours of the previous scheduled start time, then all bets will be considered “action” and settled with the final result. If the match is not started within 48 hours, then all undecided bets are considered “no action/void” unless stipulated otherwise on guest wagering information sheets or odds boards.
5. Except for boxing, mixed martial arts (all leagues), and tennis – Management is not responsible for location changes. If a game or event is moved from original location, all wagers are “No Action” unless otherwise stipulated.
6. For wagering purposes, unless otherwise stipulated on matches are official after: All – considered “Action”, once the opening bell/buzzer sounds, regardless of the scheduled length of the bout. All fighting “pick the round” proposition wagers are “No Action” (Refunded) if the scheduled length of the bout is changed from the distance displayed by the sports book, be it on guest wagering information sheets or odds boards.
7. All results are deemed final once the official agency (official sports body, commission, sanctioning organization, etc.) has posted the result. Subsequent inquiries and changes to official result will not affect the bet settlement after one hour or more of the conclusion of the event.
8. For betting purposes, the winner of an event or game will be determined on the date and approximate time of the event’s conclusion according to house wagering rules. Silver Reef Casino does not recognize suspended games, result changes one hour or more after the events conclusion, protests, or overturned decisions, etc. Minimum play requirements for betting purposes (unless stipulated otherwise on guest wagering information sheets or odds display, games are official after):
 - A. Baseball (Major League, Minor League, College, Amateur) – In all nine-inning scheduled games, winners and losers are official after nine innings of play, unless the home team is leading after eight and one-half innings. Postponed or Suspended games must go minimum of five innings or four and one-half innings if the home team is ahead. If a game goes past five innings and is subsequently Postponed or Suspended, the winner is determined by the score after the last full inning of play; except in the case in which the home team scores to tie or take the lead in the bottom

- half of the inning in which the game is Postponed or Suspended, the runs do count.
- B. Basketball (NBA) – 43 minutes of play.
 - C. Basketball (College and International) – 35 minutes of play.
 - D. Basketball (WNBA) – 35 minutes of play.
 - E. Fighting, Mixed Martial Arts (Professional) – When bell (buzzer etc.) is sounded signifying the start of the opening round the bout is considered official for betting purposes, regardless of the scheduled length.
 - F. Football (Professional/College)– 55 minutes of play.
 - G. Hockey (Professional/College)– 55 minutes of play.
 - H. Soccer (Professional) – 90 minutes of play.
 - I. All halftimes (1st half and 2nd half), quarter, period, set, etc. wagering propositions must be played to the conclusion of that portion of play to be considered “Action”, and are independent of the game and other propositions. Soccer 1st half or 2nd half wagers must go at least 45 minutes to be considered “Action”.
9. For all sports except Baseball, for Player Proposition bets the player must play for “Action” or all bets for that player will be considered “No Action/Void.” For Baseball, the player must start for “Action” or all bets for that player will be considered “No Action/Void.”
 10. If a game is final for betting purposes, all player prop bets are “Action”; however, if the game is suspended/postponed/abandoned before the game is official for betting purposes, all undecided player prop bets for that game will be “No Action/Void.”
 11. Pre-Built Parlay Markets: If any individual leg of the parlay is void (player did not play or for MLB player did not start), the parlay will be graded as “No Action/Void.”
 12. Futures wagers will be graded within one calendar year of the official league start date, in the circumstances of delayed future wagers including but not limited to division/conference/finals etc., the date change will be considered action if completed within one calendar year of the official league start date.
 13. Both sides must start in any two-way matchup propositions.
 14. Any straight wager deemed “No Action” will be refunded. If a parlay has a leg that is deemed “No Action”, the parlay will reduce by one selection (i.e., 4-Team Parlay becomes a 3-Team Parlay, 2- Team Parlay becomes a straight wager). If a teaser has a leg that is deemed “no action”, the teaser will reduce by one selection (i.e., 4 team teaser becomes a 3-team teaser, 2- team teaser becomes a refund). *This rule does NOT apply to SGP (Please see SGP rules)
 15. For season long player statistical leader and award futures, players must play in at least one regular season game for “Action”.
 16. In the event of a tie or a “dead heat” the bet amount is divided by the number of players that

are tied for that placing while the original odds stand. An example of this would be a \$100 wager placed on Golfer A at +200 to finish in the Top 5. If Golfer A ties with 4 other Golfers for 5th place the wager will be calculated by dividing the \$100 stake 5 times per Rules.
Calculation: $\$20 \times +200 = \60

Except in a case in which the home team scores to tie or take the lead in the bottom half of the inning in which the game is Postponed or Suspended; the runs do count.

8. When wagering on baseball full game "Totals" or "Run lines," the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game. For baseball first 5 innings "totals" or "run lines" the game must go 5 complete innings for action.
9. For all non-US professional leagues and college baseball and softball, wagers are "Action" regardless of starting pitchers. "Totals" and "Run line" wagers are subject to the same game length rules as professional US baseball. The bottom team that is listed does not necessarily bat last.
10. If on the day of the events conclusion no winner is determined, minimum play requirements are not met or if "No contest" is declared, all wagers on that event will be considered "No Action" for betting purposes and wager will be refunded.
11. When wagering on softball "totals" or "run lines", the game must go at least the regulation seven innings (six and one-half innings if the home team is ahead). If the game goes past regulation innings into extra innings and is subsequently suspended or postponed, it is considered to have "Action", and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not complete their turn at bat in the bottom half of an extra-inning game, the score reverts to the previous full inning of play, unless the home team scores to tie the game, in which then the score will be determined at the point of suspension.
12. For the World Baseball Classic or any other games that are called due to the mercy rule, "totals" and "run lines" are considered "Action".
